

With Us, It's a Party

Philadelphia magazine produces the most premium events in the Philadelphia region, attracting thousands of influential guests. Our events span a range of themes and scopes with rich brand integrations that leave a lasting impression with our passionate and social guests.

EVENT OVERVIEWS

Be Well Philly Fest

With multiple studios, demo areas and discussion rooms, this full-day of programming brings guests the best health and wellness resources in the region.

Be Well Philly Yoga Flow

Be Well Philly brings a weekly fitness experience to the active-lifestyle community of Philadelphia with a 4-week summer yoga series.

Best of Philly

The biggest party of the year celebrates Philly Mag's Best of Philly issue. Guests will have the opportunity to savor Philadelphia's best restaurants, enjoy live entertainment, and experience the 'best' Philly has to offer.

Design Home

The Philadelphia region's leading showcase home, filled with state-of-the-art specialties and trending design from local home experts, will be on display for interested and prospective customers to view.

Philadelphia Wedding's First Look

Philadelphia Wedding Editor Kristen Schott and experts from across the wedding industry will share their best tips and trends to get a head start on all that wedding planning entails.

ThinkFest

ThinkFest brings together Philadelphia's brightest, most innovative, and most creative people to engage in conversations about the future of our city and our world.

Trailblazer Awards

This very special invitation-only luncheon honors and celebrates women in the Philadelphia region who are inspirational pioneers within their fields.

Whiskey & Fine Spirits Festival

Featuring over 200 spirits and samplings from local upscale restaurants, Whiskey and Fine Spirits Festival is the region's premier tasting featuring premium whiskey, scotch, malts, bourbon, tequila rum, vodka, and gin.

Wine Festival

Philadelphia magazine's Wine Festival spotlights more than 500 wines from around the world and on-site sommeliers to highlight the characteristics of each blend.
