The EAT (Everyone At the Table) Café is a not-for-profit full-service restaurant where guests pay for dinner based on a "give-what-you-can" model.

## WHAT DOES GIVE-WHAT-YOU-CAN MEAN?

"Give-what-you-can" means that EAT Café diners order with the intention of giving-what-they-can afford for the cost of their meal.

When you give-what-you-can (no matter how big or small) in exchange for a meal, you become a partner in our collective mission to serve Everyone At the Table.

### **HOW DOES IT WORK?**

When you give less than the full-price your meal, it will be provided at a discount. We ask that you order only one item from each menu section so everyone in our community can enjoy a full, balanced meal.

When you give the full-price of your meal it helps EAT Café cover operational costs and makes it possible for us to continue serving discounted meals in our community.

When you pay the full-price of your meal and can give more, the additional money counts as a tax-deductible donation and makes it possible for us to serve more meals.
